Week	Camp Description (Limit 24 children per camp)
1 June 17-21 CELEBRATE SUMMER CAMP	Let's kick off summer with a summer celebration! From playing innovative games to an amazing field trip to the Godwin Heights Splash Pad where kids will enjoy water play and a scavenger hunt. Campers will be physically motivated while they enjoy their first full week of summer running, jumping, crawling and balancing on our indoor obstacle course and playing Blast Ball!
2 June 24-28 SUPER HERO ACADEMY	Campers will love this camp's <i>super</i> activities and mystery-solving games. Hector Miray will join us again for more action packed super hero adventures. Bring your own costumes for even more fun!
3 July 8-12 WHEN I GROW UP...	Campers will be introduced to local professionals from Lumberton's police, fire, and rescue departments as well as a variety of other career paths. Children are encouraged to dress up as the professional they hope to be someday. There will be tons of fun playing team building games that show you how to work together to accomplish a mutual goal.
4 July 15-19 FUN AND FITNESS	Activities packed full of fun, excitement, and creativity will provide a positive experience. Children will participate in fitness guidance sessions lead by Mr. Tim Clark, Athletic Director for the City of Lumberton. Campers will see why making healthy food choices is critical for a long and healthy life.
5 ★ July 22-26 *(Ages 8 to 11) X-TREME SCIENCE	Campers will engage in: Science, Technology, Engineering, and Math. Mr. Keenan Locklear will guide kids through a study of Forensic Science as they try to solve the <i>Cookie Jar Mystery</i> . Camp staff will facilitate games and other fun activities throughout the week! Limit 20 children.
6 July 29-August 2 DISCOVERY CAMP	Calling all junior scientists to embark on an adventure of scientific discovery! They will be stimulated to ask lots of questions and find the answers while discovering how polymers can grow and shrink. They will also enjoy amusing games, activities and a trip to the park.
7 August 5-9 AMAZING ANIMALS	Kids will spend time immersed in their favorite animals of the past and present. All campers will participate in animal-related activities, games, guest speakers, and interaction with live animals from the North Carolina Museum of Natural Sciences.
8 August 12-16 SCIENCE ROCKS	Kids will experiment with crystals, paint their own kindness rocks, break open a geode, and build an erupting volcano. And that's not all! Campers will enjoy hours of fun with their peers while playing competitive "MINUTE TO WIN IT" games.
9 August 19-23 CRAFTY CREATURES – DRAGONS & UNICORNS	Campers will plunge into the world of mythical creatures through games, DIY crafts, and creative play. We will read "The BFG," a classic novel of a girl and a kind giant, written by Roald Dahl. Dress-up is encouraged!

To register, call (910) 738-1114 or visit 104 N. Chestnut St. Lumberton, NC 28358
